6. SUBSTANCE: F. reported that according to instructions given by [] at one of the previous meetings he went by car on 15 Dec 1960 to Dr W. Wojtowych, MARKTOBERSDORF, Salzstrasse 15. to ascertain his willingness and chances to go to Ukraine as tourist.
Dr W. is Ukrainian, German citizen, married, has two daughters (17 and 12), owns two houses, works as veterinary surgeon, is very well off. He is a good acquaintance of F. He is 50.
F's mission has been not successful. F. has discovered at once that Dr W. has no intention and is very afraid to go to Ukraine considering himself to be very important and of great interest to the Sovs. When F. incidentally in a joking manner asked Dr W if he would go to Ukraine, the answer was strongly negative, because as Dr W put it himself, he were not going to spend the rest of his life in Siberia. According to F. Dr W's wife showed in this respect much more common sense and less fear. Besides, Dr W is going next year to the States on a trip together with his daughter after her High School graduation.
F. promised to continue his efforts with other people and hoped to be more successful during the ~~Christmas~~ Christmas period.
